

Notice: Translated Version In Progress

Fluence Supplier Code of Conduct – Version 3.0

The Fluence Supplier Code of Conduct (Version 3.0) was published in September 2026 and is currently available in **English**, which serves as the official and authoritative version of this document.

A translated version of this document is currently in progress and will be published on this page as soon as translation and quality review are complete. We appreciate your patience as we work to make this document accessible in your preferred language.

In the meantime, please refer to the **English-language version** of the Supplier Code of Conduct, available here: [Code of Conduct for Fluence Business Partners and Third-Party Intermediaries](#).

If you have any questions in the meantime, please reach out to the Global Responsible Sourcing team at responsiblesourcing@fluenceenergy.com.

Thank you for your understanding.
